### **SALES TO MINORS HURTS THE BOTTOM LINE**

Of the twenty (20) ABC Board Orders listed in the July issue of the Kentucky Beverage Journal, eighteen (18) involved violations of KRS 244.080, Sales to Minors. Total fines paid were twenty-six thousand, five hundred dollars (\$26,500). In the August report, of the fifty-one (51) ABC Board Orders listed, forty-one (41) involved violations of KRS 244.080, Sales to Minors. Total fines paid were fifty-five thousand seven hundred fifty dollars (\$55,750). *Increase your business' bottom line - DON'T SELL TO MINORS!*

### **WHAT SHOULD LICENSEES DO WITH FRAUDULENT I D'S?**

When consulted on this issue by the Board, ABC's General Counsel, Steve Humphress had this to say: When a minor presents any form of identification as his own which is false, fraudulent, or altered, the minor has committed a crime. See, KRS 244.085(4) and (5) and KRS 244.990. Since licensees have no authority to cite or arrest the minor, they should immediately contact local law enforcement whenever a minor commits the crime of presenting a false identification. This practice will demonstrate that the licensee is serious about keeping minors off the premises and the ABC Board may favorably consider such mitigating efforts in any subsequent disciplinary action. Further, since false identifications are criminal evidence, licensees are advised not to retain and accumulate them. Instead, licensees are advised to temporarily hold the false ID and surrender it to the contacted law enforcement officers upon their arrival. If the suspected minor becomes belligerent and demands the return of the ID, the employee should copy identifying information down and then return the ID. The copied information should then be provided to the police when they arrive with an explanation as to what occurred.

### **LICENSE TRANSFERS AND THE TRANSITIONAL LICENSE**

Everyone agrees that the new transitional license issued when a business is being sold before the permanent license is issued is a good thing. However, please remember that the transitional license is not automatically issued. Before a transitional license can be issued you must:

1. Advertise your intentions to apply for these licenses in the newspaper.
2. File an application and pay the fee for a permanent license with the Local ABC Office.
3. File an application and pay the fee for a permanent license with the State ABC Office.
4. File a Transitional application with the State ABC and pay a Transitional fee of \$50 for beer only or \$100 for liquor and beer.
5. Have a completed background check done by the State ABC Office.

Transitional application forms and instructions may be obtained from our Frankfort ABC Office or on our ABC Web site at [www.http://abc.ky.gov/](http://abc.ky.gov/)

### **INTRODUCING A NEW SECTION: "DO YOU REMEMBER WHEN?"**

Each month we will list something about the ABC industry and its crazy past. In this edition Virginia Davis of our State ABC office asks: "Do you remember when it was illegal for a woman to sit at a bar." There really was a statute on the books prohibiting women from sitting at bars. Fortunately, KRS 244.100 was repealed in 1974. Email us your comments and ABC memories.
